## Plant your Cottage – 2023 Season

Beautify your cottage with indoor plants and trees. Enjoy the look of greenery indoors and purify the air while you enjoy your summer in Cottage Country.

Plantd Life Cottage Plant Services Include:

- Initial consult and site visit in April/May
- Selection and installation of all Plants in June
- Option of outdoor planters as an additional service
- Weekly/Biweekly/Monthly maintenance services to keep all plants *happy*
- End of season clean up and removal. Option to transport plants back to your home or donation\* to local hospitals/schools/seniors' homes that would appreciate the green donation.

Please inquire for seasonal package rates.

*\*may be eligible for a charity tax receipt*
